O R D E R:

In the letter 4th read above, the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, based on the report of the Chief Engineer, PIP., Dowlaiswaram, has furnished a detailed proposal and recommended to the Government for according permission for allocation of 900 Cubic Meters per day of water from Thota Venkatachalam Pushkara Canal to M/s ASSAGO, Private Limited, Gummaladoddi, Gokavaram Mandal, East Godavari District, subject to the following terms & conditions:

1. The drawl of 900 Cubic Meters/day i.e., 10.489 mcft per annum (330 days) from Thota Venkatachalam Pushkara Canal is subject to availability and valid only when the industry utilizes the above required quantity of water in any one of the financial years in a continuous span of 04 years or otherwise, the allotment can be reduced as per actual utilization of water during the above cited period. The water will be available for 90 days i.e., from 15.07.2025 to 15.10.2025.
2. Permission valid for 5 years from date of approval. The Agency has to apply renewal if necessary before expiry of permission.
3. The Industry shall have to bear the additional Water rate/ charges for the transmission losses during the release of raw water from Thota Venkatachalam Pushkara Canal.
4. Raw water will be spared to the Industry as per availability in the Thota Venkatachalam Pushkara Canal and the Industry has to plan additional storage arrangements (8 months) in accordance to their usage in their premises.
5. The entire cost of construction of the pump house, pipeline excavation etc., should be borne by the user only
6. Water meters or suitable measuring devices should be installed by the Industry at their own cost to measure the water consumed and should be made available to the Departmental authorities and the representatives of the user shall be present at the time of inspection.
7. The Industry should pay water rate/ Charges at the existing rates and subject to revision by the Government from time to time. In case of

(PTO)

failure to pay the water rate/charges the permission to draw water shall stand cancelled.

8. No field Bodhi or pipeline shall be taken through or along with Governmers Land without the approval of the competent authority. The lease amount should be paid as fixed by the Govemment.

9. The Industry shall obtain the prior concurrence of concerned Departments for laying pipe lines crossing etc.

10. The industry should make its own arrangements to dispose of the treated effluents as per the norms of the Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from the Government to dispose of treated effluents in the natural source.

11. The Water Resources Department reserves the right to cancel permission without assigning any reasons thereof.

12. The Water Resources Department is in no way responsible for the non supply of water due to any reason.

13. The Industry must acquire private land for the installation of pumping arrangements.

14. The water drawn from the Thota Venkatachalam Pushkara Canal should be utilized for the purpose for which permission is granted and any misuse in this regard will entail to cancellation of the permission without any notice and the Industry is liable for imposition of penalty.

15. The Industry must strengthen the bund/canal/River margin by 100m or as decided by the Water Resources Department on either side on the proposed Off take point to avoid slips and erosion of banks and to protect existing margins as directed by the Department.

16. The Industry should follow the Revenue Board standing Orders.

17. The Industry shall pay a security Deposit of 5.0% on the water charges for the stipulated period as per the direction of the agreement authority

18. The Industry shall pay 1 year of water charges in advance before entering in to the agreement with WRD Department.

19. The Industry should pay water rate/charges regularly, the water rate/Charges are likely to be revised by the Government from time to time and the Industry shall pay the revised rates as fixed by the Government.

20. M/s ASSAGO Industries Private Limited, Gummaladoddi Village, Gokavaram Mandal, East Godavari District has to conclude an agreement with the concerned Superintending Engineer within 1 year after according the approval from the Government of Andhra Pradesh or otherwise the allocation is deemed to be cancelled.

21. A detailed Plan showing the location, the intake arrangements, details of the pump house conveyance system, etc shall be furnished to the concerned Executive Engineer prior to construction and necessary approval shall be obtained.

22. The Industry shall abide any other conditions laid down by the Government from time to time.

23. The Industry has to pay the water charges and also charges for lifting of water at Main Pump house for the estimate quantity in advance at start of the financial Year i.e., before 10th April every Year.

24. The Consumptive utilization of 10.489 mcft per annum as required by M/s ASSAGO Industries Private Limited including transmission losses should not be exceeded under any circumstances.

25. Any other conditions stipulated by the Water Resources Department afterwards if found necessary, the same will be binding on the Industry.

26. The permission does not confer any Riparian rights to the Industry.

27 In case of the Industry is closed or if it is handed over to another party, then the allocation will be automatically cancelled.

28. The Industry has to produce the relevant records for Departmental verification at the end of each quarter periodically.

(PTO)

29. The permission for utilizing Ground water from borewells, as permitted by the Andhra Pradesh Groundwater Board (APGWB) vide letter No.246/Hg-II/ 2024, dated 11.01.2024 is terminated after drawing water from Thota Venkatachalam Pushkara Canal.
30. Concerned Executive Engineer will be responsible for enforcing the conditions.
31. Water supply will be permitted only after fulfilling the above conditions. Non-adherence to any of the above condition by the industry will entail cancellation of the permission.

2. After careful examination of the proposals and on the recommendations of the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Government hereby accord permission to M/s ASSAGO Private Limited, Gummaladoddi, Gokavaram Mandal, East Godavari District for drawl of 900 Cubic Meters per day of water from Thota Venkatachalam Pushkara Canal for a period of five (5) years, subject to the terms & conditions as mentioned at para (1) above.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, PIP. Dowlaiswaram, and the Collector & District Magistrate of East Godavari District shall take necessary action accordingly.
